Jean Nothnagel is an Outreach Specialist for **covering kids & families** acting as a Project Lead for REACH BC+ and as a contributor to project planning and program evaluation. She has prior experience in state health care financing as a clinical consultant in Health Care Program Integrity for the Wisconsin Department of Health Services (DHS) and she later joined the Wisconsin Birth to 3 Program at DHS to provide program administration, outreach, technical assistance and evaluation of local Birth to 3 programs. Jean has a Bachelor's degree in Physical Therapy and a Master's degree in Health Care Administration and has held clinical and management positions as well.
